

HSI EXPLORER POST 601 WELCOME LETTER (ADULT)

Dear Parent/Guardian,

Thank you for allowing your child to participate in the Homeland Security Investigations (HSI) Law Enforcement Explorer Program. If it were not for the parents' support and the Explorers' dedication, this Program would not be able to continue for years to come.

To successfully continue the Program, it is essential to maintain communication between all parties, including parents, Explorers, the Post Advisor, and HSI Volunteers. If the Post Advisor and/or HSI Volunteers feel that an Explorer is irrational and may cause harm to themselves and/or others, the Post Advisor will contact their parents. Additionally, if a parent finds that their child is not acting in a familiar manner and/or they are concerned about their child, please contact the Post Advisor.

It must be understood that all HSI Explorers and Recruits must abide by the rules and regulations of the Post as outlined in the HSI Explorer Post Manual. It is imperative that the Post members, as well as parents and/or guardians, are aware that these bylaws are taken seriously and that members are held accountable. Attached, you will find a list of the most important policies of the Post. Each Post member and their parents must review and sign the documents. By signing the documents, you and your child certify that you have read and understood the rules and that your child may receive disciplinary action, up to and including dismissal from the Post, if they violate the Post policies and regulations.

Returning applicants must send this packet and other updated documents (resume, transcript, class schedule, copy of state-issued ID (school ID if under 18), and copy of insurance card) via email to info@hsipost601.org. Returning applicants must also pay a \$50 registration fee via Zelle to (646) 234-0660. If you fail to provide these documents by November 30, 2026, you will not be considered any further.

If you have any questions or concerns, please contact PAC Advisor Iliana Velazquez at (646) 234-0660.

Respectfully,

Iliana Velazquez

Post Advisor in Charge

ADULT APPLICATION

For the following positions and participants:

- Exploring or Learning for Life committee positions
- Exploring adult leaders 21 years and older
- Explorers 18 through 20 years old (Exploring participants)

EXPLORING™

Mission: To deliver character-building experiences and mentorship that allow youth to achieve their full potential in both life and work.

18- THROUGH 20-YEAR-OLDS (EXPLORING PARTICIPANTS)

Beginning ***January 6, 2020**, all applicants 18 through 20 years old must complete and submit this adult application, consent to a criminal background check, and successfully complete Youth Protection training. However, an 18- through 20-year-old will still be considered an adult Exploring participant in the post, and not considered an adult leader. Exploring participants cannot be counted toward two-deep leadership requirements. Once an Explorer turns 18, they will need to complete an adult application to register as an 18- through 20-year-old Exploring participant.

LEARNING FOR LIFE™

UPLIFTING STUDENTS · BUILDING CHARACTER · DEFINING LEADERSHIP

Mission: To empower students to build exceptional character and leadership skills by guiding them through an innovative, research-based curriculum that enhances the learning experience and teaches the skills necessary to succeed both academically and throughout their lives.

CRIMINAL BACKGROUND CHECK*

In order to complete the adult application process, you will need to review the disclosures that have been provided to you separately. The separate authorization form must be signed and returned when you submit your application.

****The three different background check forms must be torn off and each separately given to the applicant.***

YOUTH PROTECTION TRAINING

All volunteers and 18- through 20-year-old Explorers are required to complete the adult application process before interacting with Explorers under the age of 18 and must complete the training every two years. Training is available online at www.exploring.org/training-safety, or contact your local Exploring office for classroom training. Include a copy of your Youth Protection training completion certificate with your application.

Leader Requirements

Adult leaders must possess the moral, educational, and emotional qualities that Learning for Life and Exploring deem necessary for positive leadership to youth. They must also:

- Reside within the USA or a U.S. territory, or be a U.S. citizen residing outside the USA.
- Respect and obey the laws of the United States of America.
- Be 21 years of age or older for primary leadership positions.
- Complete Youth Protection training (YPT) before application is processed and renew training as required by going to www.exploring.org/training-safety and creating an account.
- Review the disclosure information related to the background check process and complete and sign an Exploring Background Check Authorization form.
- Take leader position-specific training at www.exploring.org/training-safety. Classroom training may also be available through your local council.
- Hold only one position within the same unit. The executive officer may multiple as the committee chair or a committee member.

Approval Required—Unit Adults

The committee chair is approved by the executive officer. All other adult leader applications must be accepted and approved by the executive officer or committee chair.

Approval Required—Council and District Adults

Scout executive or designee must accept and approve all council and district adults. **Scout executive or designee** must approve any adults who answer “yes” to any additional information question.

The adult leader application process will not be complete until Youth Protection training has been completed and a criminal background check has been obtained.

Health information. You should inform your unit leadership of any condition that might limit your participation. Before participating in activities with your unit, please fill out the Annual Health and Medical Record found on www.exploring.org and provide it to your unit leadership.

The annual national registration fee is nonrefundable.

Learning for Life and Exploring Privacy Policy

Learning for Life and Exploring protect the confidentiality of the names and personal information of those who are affiliated with the organization. No commercial or unauthorized use is made of the names, addresses, and other confidential information. Learning for Life and Exploring, and their affinity groups, may use registration information to notify registrants of benefit opportunities.

Training for New Leaders

Learning for Life and Exploring are committed to your success as a volunteer while serving young people. To help you be successful there are training materials designed for you. Training resources are available through your local council and at www.exploring.org/training-safety/.

What Makes a Trained Leader?

You are considered a trained leader when you have completed leader position-specific training for your position and have current Youth Protection training. Training can be taken at www.exploring.org/training-safety.

Youth Protection Begins With You™

Child abuse is a serious problem in our society, and unfortunately, it can occur anywhere. Youth safety is of paramount importance to the organization. For that reason, Learning for Life continues to create barriers to abuse beyond what have previously existed in Learning for Life and Exploring.

Learning for Life is committed to providing a safe environment for young people. Learning for Life provides parents and adult leaders with numerous online and printed resources on youth protection. All adult leaders must complete Youth Protection training as part of the registration process and renew their training as required. It is highly recommended that parents who participate in Learning for Life and Exploring activities complete YPT. Learning for Life publications and other media also provide strategies for personal safety awareness for youth and their parents. To learn more about the organization's Youth Protection resources and to find age-appropriate programs, go to www.exploring.org/training-safety.

All persons involved in Learning for Life and Exploring programs must immediately report to local authorities any good-faith suspicion or belief that any child is or has been physically or sexually abused; physically or emotionally neglected; exposed to any form of violence or threat; or exposed to any form of sexual exploitation including the possession, manufacture, or distribution of child pornography, online solicitation, enticement, or showing of obscene material. No person may abdicate this reporting responsibility to any other person.

Additionally, any **known or suspected abuse or behavior that might put a youth at risk** must also be reported to the local Scout executive or the helpline (1-844-726-8871).

Youth Protection Policies

Youth Protection policies help to protect youth as well as adult volunteers. These and other key policies are addressed in the Youth Protection training:

- Two registered adult leaders 21 years of age or over are required at all activities, including meetings. There must be a registered female adult leader 21 years of age or over in every unit serving females. A registered female adult leader 21 years of age or over must be present for any activity involving female youth.
- One-on-one contact between youth members and adults is prohibited at any time and location, except for situations involving transportation of a child with the prior authorization of the parent/guardian. Even personal conferences must be conducted in plain view of others.
- Corporal punishment, hazing, and bullying are not permitted in Learning for Life and Exploring. Only constructive discipline is acceptable. Parents and unit leaders must work together to solve discipline problems.
- Separate accommodations for adults and Explorers (males and females and Explorers of disparate ages) are required.
- Youth privacy is respected.
- Leaders are responsible for enforcing Youth Protection policies and reporting any abuse or policy violations.

BACKGROUND CHECK
DISCLOSURE

A consumer report is a background check in which information (which may include, but is not limited to, criminal background, driving background, character, general reputation, personal characteristics, and mode of living) about you is gathered and communicated by a consumer reporting agency (“CRA”) to Learning for Life/Exploring and/or its subsidiaries, affiliates, other related entities, successors, and/or assigns (the “Company”).

Company may obtain a consumer report on you to be used for employment purposes (in your case, this means for the purpose of evaluating you as a new or existing volunteer).

CALIFORNIA STATE LAW DISCLOSURES
(Non-Credit)

Under California law, an “investigative consumer report” is a consumer report in which information on a consumer’s character, general reputation, personal characteristics, or mode of living is obtained through any means. Learning for Life/Exploring and/or its subsidiaries, affiliates, other related entities, successors, and/or assigns (the “Company”) may obtain an investigative consumer report (which may include information described above) from an investigative consumer reporting agency (“ICRA”) on you in connection with your status as a volunteer (i.e., for employment purposes under California law). The nature and scope of this investigation includes your character, general reputation, personal characteristics, or mode of living information, including criminal history, presence on exclusion lists (e.g. OIG/GSA and OFAC), driving record, references, education history, work history, and licensure/certifications.

The ICRA preparing the investigative consumer report and conducting the investigation will be First Advantage, P.O. Box 105292, Atlanta, GA 30348, 800-845-6004. Information regarding First Advantage’s privacy practices can be found at <https://fadv.com/privacy-policy/>.

Under California Civil Code section 1786.22, you are entitled to a visual inspection of files maintained on you by an ICRA, as follows:

- (1) In person, if you appear in person and furnish proper identification, during normal business hours and on reasonable notice. A copy of your file shall also be available to you for a fee not to exceed the actual costs of duplication services provided;
- (2) By certified mail, if you make a written request, with proper identification, for copies to be sent to a specified addressee. An ICRA complying with requests for certified mailings under California Civil Code section 1786.22 shall not be liable for disclosures to third parties caused by mishandling of mail after such mailings leave the ICRA;
- (3) A summary of all information contained in your files and required to be provided by California Civil Code section 1786.10 shall be provided to you by telephone, if you have made a written request, with proper identification for telephone disclosure, and the toll charges, if any, for the telephone call are prepaid by you or charged directly to you.

“Proper Identification,” as used above, means information generally deemed sufficient to identify you, which includes documents such as a valid driver’s license, social security account number, military identification card, and credit cards. Only if you cannot identify yourself with such information may the ICRA require additional information concerning your employment and personal or family history in order to verify your identity.

The ICRA will provide trained personnel to explain any information furnished to you pursuant to California Civil Code section 1786.10 and will provide a written explanation of any coded information contained in files maintained on you. This written explanation will be provided whenever a file is provided to you for visual inspection under California Civil Code section 1786.22.

You may be accompanied by one other person of your choosing, who must furnish reasonable identification. An ICRA may require you to furnish a written statement granting permission to the ICRA to discuss your file in such person’s presence.

The state disclosures below are included because state law requires them to be provided in writing. Some of the below rights, notices, or information also may apply to individuals from, applying to, or volunteering in states not listed below. There may be additional requirements, options, or provisions applicable to you and you may have additional rights under applicable law that are not required to be disclosed to you in writing.

Informed Consent, Release Agreement, and Authorization

I understand that participation in Scouting activities involves the risk of personal injury, including death, due to the physical, mental, and emotional challenges in the activities offered. Information about those activities may be obtained from the venue, activity coordinators, or your local council. I also understand that participation in these activities is entirely voluntary and requires participants to follow instructions and abide by all applicable rules and the standards of conduct.

In case of an emergency involving me or my child, I understand that efforts will be made to contact the individual listed as the emergency contact person by the medical provider and/or adult leader. In the event that this person cannot be reached, permission is hereby given to the medical provider selected by the adult leader in charge to secure proper treatment, including hospitalization, anesthesia, surgery, or injections of medication for me or my child. Medical providers are authorized to disclose protected health information to the adult in charge, camp medical staff, camp management, and/or any physician or health-care provider involved in providing medical care to the participant. Protected Health Information/Confidential Health Information (PHI/CHI) under the Standards for Privacy of Individually Identifiable Health Information, 45 C.F.R. §§160.103, 164.501, etc. seq., as amended from time to time, includes examination findings, test results, and treatment provided for purposes of medical evaluation of the participant, follow-up and communication with the participant's parents or guardian, and/or determination of the participant's ability to continue in the program activities.

(If applicable) I have carefully considered the risk involved and hereby give my informed consent for my child to participate in all activities offered in the program. I further authorize the sharing of the information on this form with any BSA volunteers or professionals who need to know of medical conditions that may require special consideration in conducting Scouting activities.

With appreciation of the dangers and risks associated with programs and activities, on my own behalf and/or on behalf of my child, I hereby fully and completely release and waive any and all claims for personal injury, death, or loss that may arise against the Boy Scouts of America, the local council, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with any program or activity.

I also hereby assign and grant to the local council and the Boy Scouts of America, as well as their authorized representatives, the right and permission to use and publish the photographs/film/videotapes/electronic representations and/or sound recordings made of me or my child at all Scouting activities, and I hereby release the Boy Scouts of America, the local council, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with the activity from any and all liability from such use and publication. I further authorize the reproduction, sale, copyright, exhibit, broadcast, electronic storage, and/or distribution of said photographs/film/videotapes/electronic representations and/or sound recordings without limitation at the discretion of the BSA, and I specifically waive any right to any compensation I may have for any of the foregoing.

Every person who furnishes any BB device to any minor, without the express or implied permission of the parent or legal guardian of the minor, is guilty of a misdemeanor. (California Penal Code Section 19915[a]) My signature below on this form indicates my permission.

I give permission for my child to use a BB device. (Note: Not all events will include BB devices.)

☐ Checking this box indicates you DO NOT want your child to use a BB device.

NOTE: Due to the nature of programs and activities, the Boy Scouts of America and local councils cannot continually monitor compliance of program participants or any limitations imposed upon them by parents or medical providers. However, so that leaders can be as familiar as possible with any limitations, list any restrictions imposed on a child participant in connection with programs or activities below.

List participant restrictions, if any:

Dear Parent:

I am writing to inform you about meningococcal disease, a potentially fatal bacterial infection commonly referred to as meningitis, and a new law in New York State. On July 22, 2003, the New York State Public Health Law (NYS PHL) was amended to include §2167 requiring overnight children's camps to distribute information about meningococcal disease and vaccination to the parents or guardians of all campers who attend camp for 7 or more nights. This law became effective on August 15, 2003.

Ten Mile River Scout Camps are required to maintain a record of the following for each camper:

- A response to receipt of meningococcal meningitis disease and vaccine information signed by the camper's parent or guardian; AND
- Information on the availability and cost of meningococcal meningitis vaccine (Menomune™); AND EITHER
- A record of meningococcal meningitis immunization within the past 10 years; OR
- An acknowledgement of meningococcal meningitis disease risks and refusal of meningococcal meningitis immunization signed by the camper's parent or guardian.

Meningitis is rare. However, when it strikes, its flu-like symptoms make diagnosis difficult. If not treated early, meningitis can lead to swelling of the fluid surrounding the brain and spinal column as well as severe and permanent disabilities, such as hearing loss, brain damage, seizures, limb amputation and even death.

Cases of meningitis among teens and young adults 15 to 24 years of age have more than doubled since 1991. The disease strikes about 3,000 Americans each year and claims about 300 lives.

A vaccine is available that protects against four types of the bacteria that cause meningitis in the United States — types A, C, Y and W-135. These types account for nearly two thirds of meningitis cases among teens and young adults.

Information about the availability and cost of the vaccine can be obtained from your health care provider and by visiting the manufacturer's website at www.meningitisvaccine.com. Ten Mile River Scout Camps *do not offer MENINGOCOCCAL IMMUNIZATION SERVICES*.

For all Scouts attending camp for more than one week, **Please complete the Meningococcal Vaccination Response Form on the reverse side. This form should remain attached to your child's medical form and be brought to the camp.**

To learn more about meningitis and the vaccine, please feel free to contact Camping Services at 212-651-2955, visit tenmileriver.org and/or consult your child's physician. You can also find information about the disease at the New York State Department of Health website: WWW.HEALTH.STATE.NY.US, and the website of the Center for Disease Control and Prevention (CDC): WWW.CDC.GOV/NCIDOD/DBMD/DISEASEINFO.

MENINGOCOCCAL MENINGITIS VACCINATION

RESPONSE FORM

New York State Public Health Law requires the operator of an overnight children's camp to maintain a completed response form for every camper who attends camp for seven (7) or more nights.

Check one box and sign below.

☐ My child has had the meningococcal meningitis immunization (Menomune™) within the past 10 years. Date received: _____

[Note: The vaccine's protection lasts for approximately 3 to 5 years. Revaccination may be considered within 3-5 years.]

☐ I have read, or have had explained to me, the information regarding meningococcal meningitis disease. I understand the risks of not receiving the vaccine. I have decided that my child will **not** obtain immunization against meningococcal meningitis disease.
